

12 DAYS OF AURA SPA

Embrace the unexpected and try something new with our Indonesian inspired spa treatments this festive season. From a fusion massage to an exotic scrub, you are sure to feel relaxed and rejuvenated.

24

DEC

COFFEE SCRUB

A full body exfoliation using organic coconut oil and local coffee. Can help reduce cellulite and stretch marks and coffee's antioxidants can combat varicose veins while boosting the lymphatic system.

25

DEC

KUSUK BATAK \$

Beginning with warm oil applied to the head, the body's highest energy point, this massage uses gentle and stimulating techniques on the upper back, shoulders, décolleté, and scalp to ease stress-induced tension.

26

DEC

ISLAND SAND COMPRESS \$

A traditional, rhythmic whole-body massage from Minangkabau. Uses a warm, natural herbal compress filled with healing Bawah ocean salt, island sand and virgin coconut oil.

27

DEC

INDONESIAN FUSION

Long, soothing massage strokes across the body, thumb and palm pressure eases muscles and aids the lymphatic and circulatory system.

28

DEC

PANDANUS BEDAK DINGIN

Bedak Dingin is a traditional skin lightening treatment made from rice flour, pandanus leaf and rose water. The addition of collagen helps to regenerate and hydrates the skin.

29

DEC

MUSCLE RECOVERY MASSAGE + HERBAL HERITAGE BATH \$

A massage designed to boost energy, improve sleep and relieve muscle tension, using minyak kayu putih for deep relaxation. Concludes with a soothing aromatherapy herbal-infused bath.
